Current topics for researchers

New JYKDOK and JUULI

JYK

11.11.2013

Matti Rajahonka

New JYKDOK

- https://jyu.finna.fi/ (link can be found on library mainpage)
- Local view for the national Finna service.
- Still in development, feedback appreciated.
- You can try out the test-environment with more advanced features: https://jyu.finna-test.fi/jykdok2/

UNIVERSITY OF JYVÄSKYLÄ
LIBRARY

New vs. old

What features the current version has

- All the features of old JYKDOK.
- JYX-archive search.
- Find E-Journal – feature from NELLI.
- Find database – feature from NELLI.

What features it will have in the future

- Primo Central Index; a replacement for the QuickSearch-feature in NELLI.
- ARTO -searches.
- National repository library -database (Vaari) – searches and loans.

New JYKDOK

🔶 Getting started:

1. You can change the language here.

2. To request books and renew loans, you need to login.

2. Institutional login of a university or polytechnic

haka Login

Services:
Holds and Requests
Loan Renewal
Listing of Fees
Access to licensed electronic material
Save Favorites
Save Searches
Alerts for New Results
Tags, Comments and Reviews

3. Use your university login to get the full features.
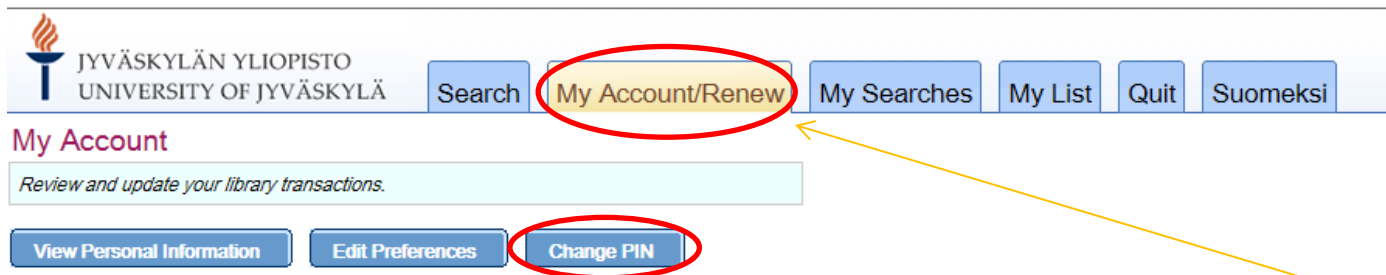

UNIVERSITY OF JYVÄSKYLÄ
LIBRARY

Your account

You can access your loans, requests, fines etc…

… but first you need to add your library card to your account …

🔶 … and before that you need to take a little detour.

🔶 If you've never done it, you'll need to go to old JYKDOK, login and change your PIN.

Adding your library card

Now you can add your library card to new JYKDOK.

Add a library card

«Back to my account

Library card name

Description

Library

University of Jyväskylä - Jykdok

Username / Barcode

Password / PIN *

Save

In the future you can add other university library cards to your account; so maybe name this one JYKDOK or JYU.
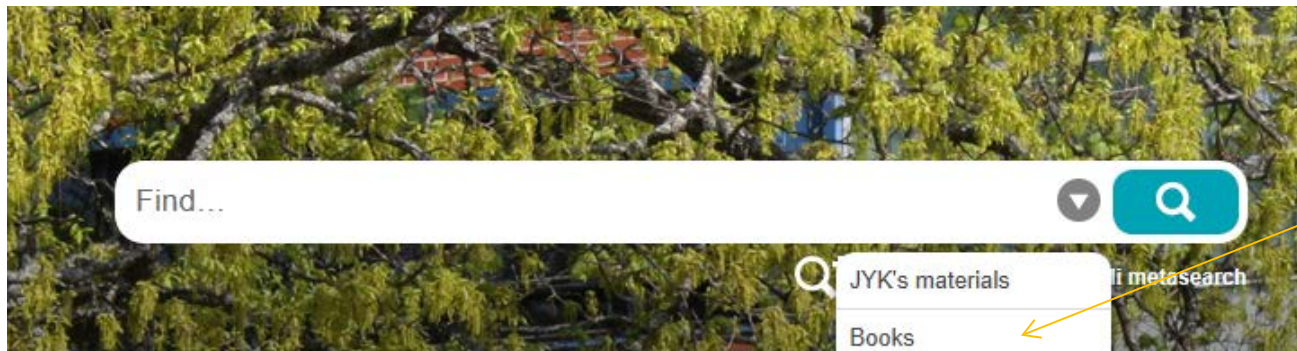

Type the barcode of your library card and your new PIN here …

… and finally save. Now you're ready to start using the new JYKDOK

UNIVERSITY OF JYVÄSKYLÄ
LIBRARY

Basic search

🔷 You can restrict the basic search to certain types of materials.

Both printed and electronic, just like in old JYKDOK.

Searches for the printed journals in the library and the electronic ones you can find through Nelli.

All the databases previously accessed through Nelli.

UNIVERSITY OF JYVÄSKYLÄ
LIBRARY

Search results

You can sort the results, using for example the publication date.

You can also filter the search results.

Search results

Click the name of the item to get more detailed information about it and the availability

Some of the electronic materials have a link to the material in the "Search results" -view.

Item view

You can add books, journals, databases etc. to your favourites.
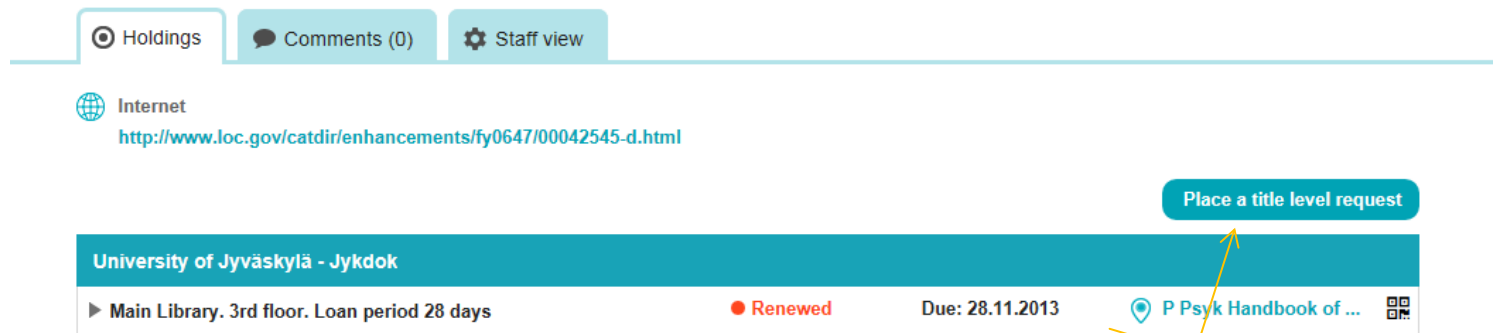

You can also export the record to Refworks or send it to someones e-mail.

Place a title level request

University of Jyväskylä - Jykdok

▶ Main Library. 3rd floor. Loan period 28 days   ● Renewed   Due: 28.11.2013   ◉ P Psyk Handbook of ...

This is the location of the printed book or the printed journal.

Here's the place request -button for printed books that are on loan.

UNIVERSITY OF JYVÄSKYLÄ
LIBRARY

Advanced search

You can use the advanced search feature to combine search words. The combinations are done on two levels: fields and groups.

Journals

If there is both a printed and an electronic format available, you will get two search results for that particular journal.
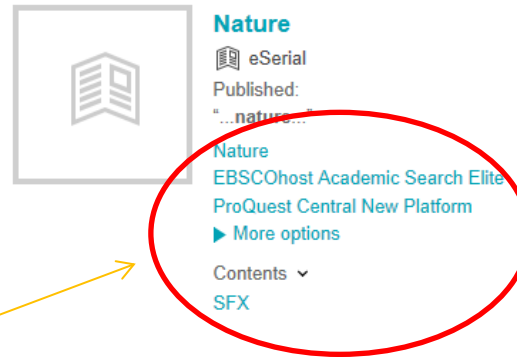

Both result items have links to the electronic material. Click on "More options" to open the SFX-view and to see which volumes and issues are electronically available.
