EDITORIAL NOTES

The aim of the EJFBS is to publish theoretical and empirical articles, case studies, and book reviews on family business topics. The EJFBS will be available with open access at the journal home page.

In this issue, we will have the following family business contributions:

Jill Thomas, Mark Coleman and Bryan Howieson: Perceptions about Boards in SME Sized Family Businesses (pages 97 -117)

*Matti Koiranen
Family's Collective Motivation to Business Ownership: A Review of Alternative Theoretical Approaches (pages 118-136)*

*Francesco Chirico
The Value Creation Process in Family Firms. A Dynamic Capabilities Approach (pages 137-167) and*

*Jan Sten
What is a Business Family? (pages 168- 185).*

Call for Papers (including information for authors and submission format) can be found at the end of the EJFBS.

7 December 2007
